### **State Divisional Commander and Divisional Commanders**

Divisional Commanders and the Divisional Lecturers will rate the Commandery assigned to them to see how each Commandery is progressing. These ratings will determine the Commandery of the Year, the Eminent Commander of the Year and the Sir Knight of the Year. These awards will be presented at Annual Banquet/Military Ball. The Divisional Commanders will report to the State Divisional Commander, whether the Commandery had submitted their Quarterly Financial Returns in a timely manner in addition to their rating reports. The State Divisional Commander will work, in conjunction, with the Eminent Grand Captain General, in organizing subjects to be presented, discussed and illustrated at the School of Instruction and Seminar (Date, Time and Place to be announced).
